Issue February 2017

Hawaiian Lodge

Brotherly Love, Relief, and Truth

Message from the East

We are off to a very active and exciting year!

In the past couple of months, Hawaiian Lodge officers attended the installation of officers in other Lodges for the ensuing year. I am very proud that many of our officers were able to attend these important ceremonies and meet other brothers in other lodges. Your officers represented Hawaiian Lodge with the honor and respect that our Lodge is known for.

As we enter the month of February, I am excited to see that we have a lot in store for our members. We have a robust agenda and I hope to see you all at the many events that we have set for the month.

On February 8, 2017, Hawaiian Lodge will be taking a break from its usual labors and will put on a **Layman's Night** for all those who are curious about Freemasonry. This is the first time that we revive this program since 2012, when Worshipful Raymund Liongson was seated in the East. I invite all of you to attend and if you have a friend who may be interested in Freemasonry, or curious about the concordant bodies, this is going to be a great and appropriate day.

On February 11, we will be having our **Sweethearts' Ball and Widows' Night** at the Hale Koa Hotel. Please make sure that you place your reservation with our Brother Junior Warden, Thomas Davis. We will be having a very special performance from a wonderful celebrated artist here in Hawaii. Some of those who have seen the performance of this artist in the past have told me how delighted they were! We will also be having a very special presentation that you will not want to miss. (Hint: A special presentation rarely shown in Freemasonry and that has not been seen for years in Hawaiian Lodge.)

Last but not the least -- the **Great Aloha Run**. Thank you to Worshipful Raymund Liongson and Senior Deacon Marlon Calventas for securing this event for another year. As many of you know, our participation in this event started in 2012 during the term of WB Liongson as Master of the Lodge. Little did we know how important as a community service for us this event would become. As the first Water Station of this annual event, we have the first and most exposure among all other water stations along the route. Many people have told me that they have seen us at the event and are impressed with our participation.

I look forward to seeing you in the Lodge. Let us join together in unity.

Mahalo,
David Gomes, *Worshipful Master*

Message from the West

Aloha from the West

We are off to a great start and January is now in the books. I think we can all agree that our new line of officers has done an incredible job. We've had a full schedule in January, with a series of installation ceremonies in our jurisdiction. We also had the raising of our newest Master Mason, Bro. Mike Yadao. Congratulations!

I would also like to thank all of our brothers for reaching out and providing warm and wholesome fellowship to our visitors and knockers. It's awesome to see everyone bonding and building stronger relationships with one another. Now that February is upon us, let's continue to do the good work which our Great Architect of the Universe has commanded us to do.

Psalm 133: "Behold, how good and how pleasant it is for brethren to dwell together in unity!"

Mahalo,

Dino J. Fernandez
Senior Warden

Message from the South

Aloha Brethren from the South!

We have entered 2017 in full swing! I want to thank everyone that has sent in their RSVPs for this year's Sweethearts Ball and Widows' Night on February 11 in the Waikiki Ballroom at the Hale Koa Hotel. We have some great entertainment lined up for everyone's enjoyment! This event is to celebrate the love and bond that we have for our spouses and those who are special in our lives. We owe endless thanks for their love, support and patience.

Following this event, we will have the Great Aloha Run! We will meet at Puuhale Elementary at 5am and get ready to hand out water to all the runners. This is our chance to make a great showing to the community and we hope to see you all there!

Let's all make 2017 a successful year!

Thomas B. Davis
