March 2018

How good and how pleasant it is for
brethren to dwell together in unity.

Psalm: 133

Aloha from the East

We had very productive month in February it started off first with our Sweethearts ball. “which everyone is still raving about” followed by a great showing for this years Great Aloha Run. I am so proud of all the support we are having this year. We also ended the month with two raisings. And i would like to personally congratulate our newly obligated brothers Mark Paz and Charles - Chuck Amerson.... As we always say, your journey has just begun.

We will kick off March with three first degree initiations, and will also be performing the third degree for this years Grandmasters one day class. It is always a solemn occasion for our incoming brothers. So we are asking for everyone’s support in welcoming them to the craft.

A Smile is the universal welcome.

Aloha from the South

First, I would like to thank everyone that showed up to our Sweetheart’s Ball! We had a great turn out and special thanks to those that came early and stayed afterwards to help set up and break down. If it wasn’t for all the participation, we wouldn’t have had a wonderful event.

Also for our Adopt a School program, Puuhale elementary school is asking for volunteers for their annual Read Aloud program. Any brethren that would like to participate reading some fun books to the students, please contact me at [8082278511](tel:8082278511). It will be in the Puuhale Elementary School library on April 6 at 8am-10am.

Our next lodge event will be during the month of July for our annual Hawaiian Lodge Picnic at the beautiful Shriners beach house. The date and time will be announced as soon as I get confirmation.

Looking forward seeing everyone at our next meetings and masonic gathering
